Columbus Senior High School, Columbus, Indiana

DREAMS *do come*

During the summer months everyone waited and watched the progress of the new senior high school building with great anticipation. The big question was—would it be finished?

Then on September 7, 1956, the big day came at last. We entered our new home for the first official school day of the year.

After many years of planning, Columbus now had a senior high school.

With the modern furnishings and architecture, it seemed as though we had stepped into a dream world.

We are very proud of our new school and thankful that "Dreams Do Come True."

Many time we stopped to admire our circle.

home for all CHS-ites ***

After being so crowded in the old school, the students and faculty welcomed the spaciousness of the new building. The library offered us a wide selection of books and reference material. There was a lounge where we could relax and enjoy the latest newspapers or magazines.

The cafeteria was also quite an improvement. Plate lunches were served in two lines, and there was a sandwich bar.

All the students who ate in the cafeteria really appreciated the many modern facilities.

It seemed as though Mrs. Johnson always found time to help interested students.

We really enjoyed going to our bookstore without leaving the building.

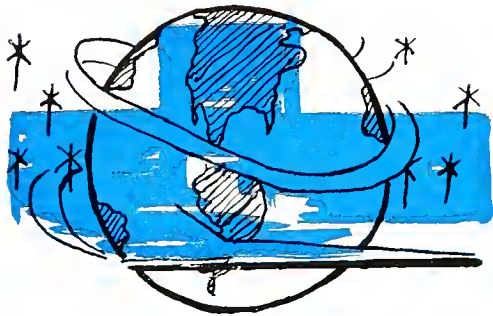

it's a new "WORLD"...

We here at C. H. S. found the halls to be long, but still crowded. We were given a s'x-minute passing period because of the distance we had to travel. But most guys still found that they had time to chat with their favorite girl.

Each day we heard the morning announcements over a new P. A. system.

The buses had a parking lot all their own, and the policemen were kept busy, too.

The policemen helped to regulate the sudden outburst of traffic.

At the sound of the bell the rural students made a mad scramble to catch their buses.

It's a long, long stretch.

Larry hands Mr. Kelly an announcement to read over the P.A.

it's the same old grind

The homework and lessons still came "fast and furious," but the new equipment seemed to bring a new atmosphere to our classes.

With smaller classes each of us received more and better individual training.

Many beautiful pieces of furniture were made in our woodshop classes.

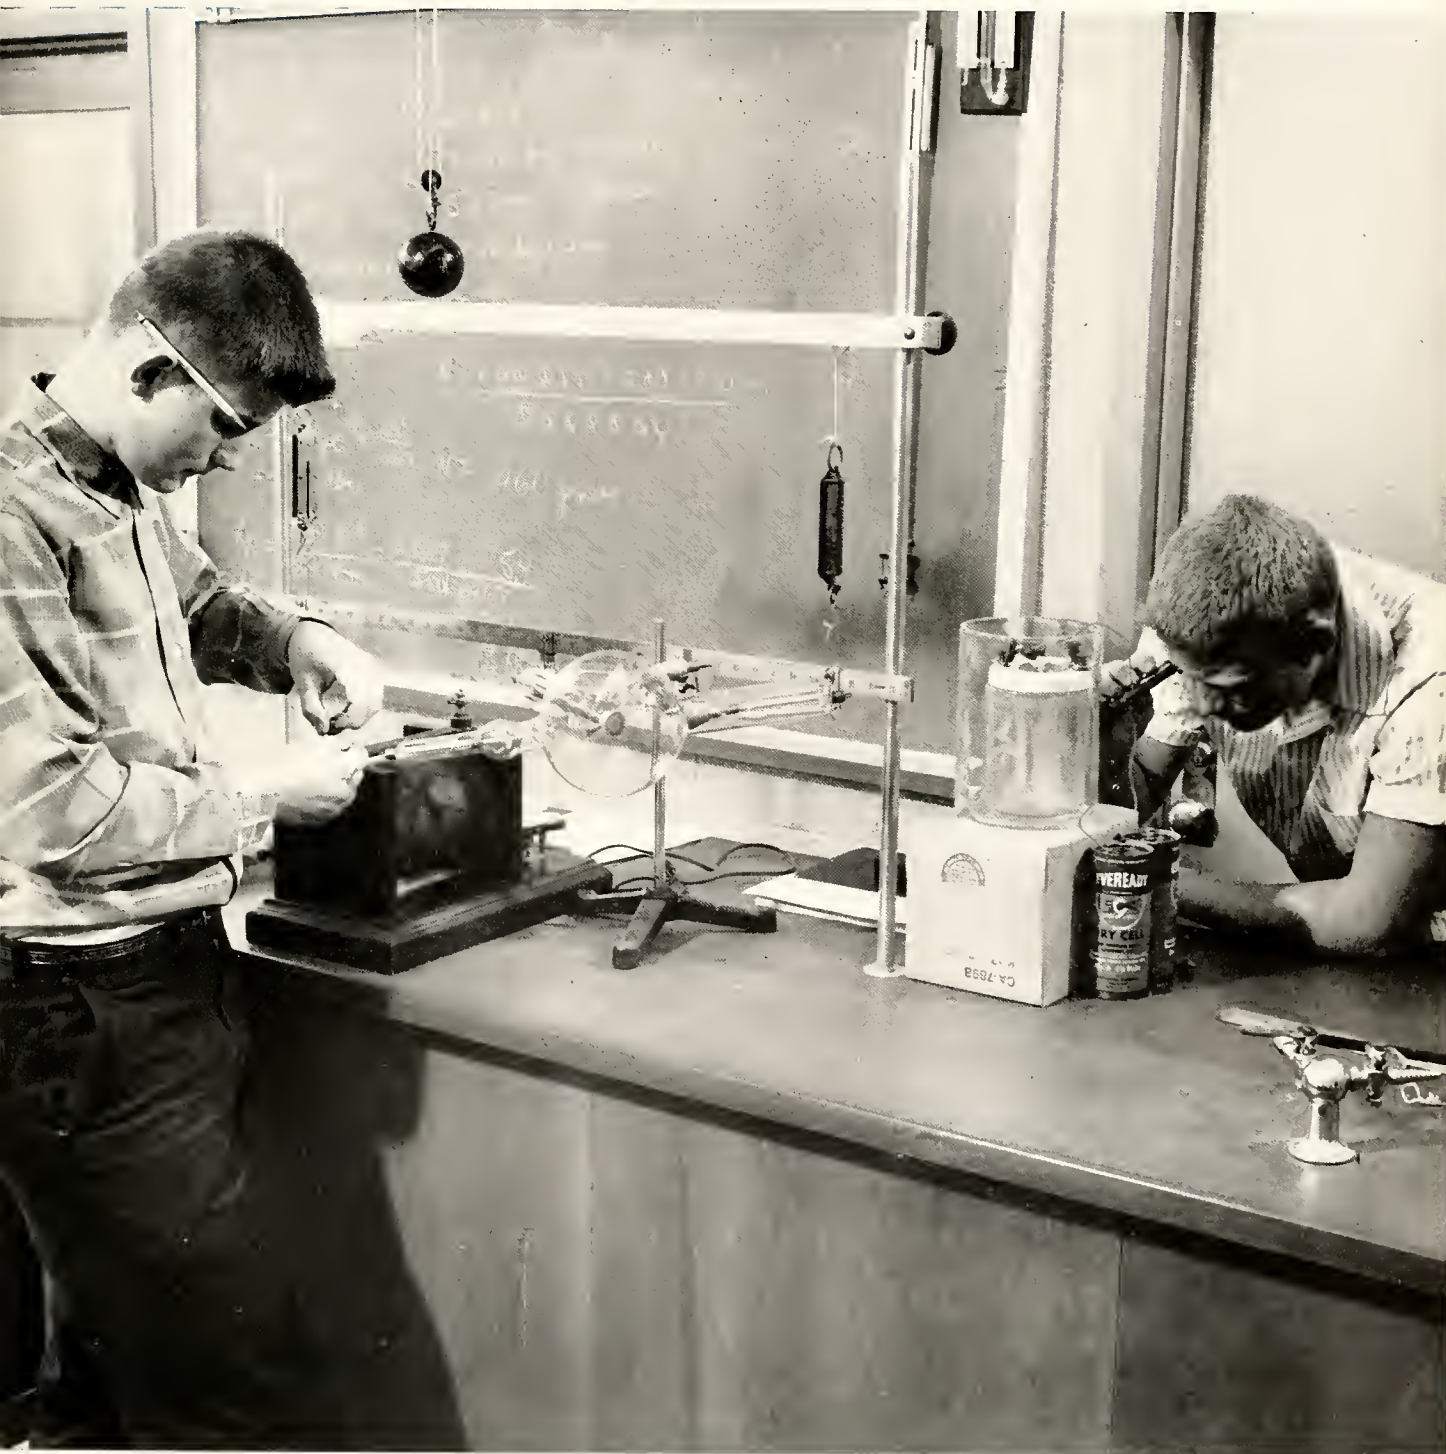

We increased our knowledge of other languages.

Math classes learned to solve many problems.

but * * * Facilities Were All Brand New

Jerry Coon and Allen Raquet demonstrated a physics experiment.

We Braved Our Lessons With

Columbus High School had always prided itself for its wide curriculum, and this year was no exception.

Each student had the opportunity to prepare himself for the coming years in the field of his choice.

The girls learned to care for the ill.

Our artists displayed their talents.

Dauntless Courage

The senior girls practiced for their future.

The student body enjoyed many convocations.

This year, for the first time, we had a rumpus room, which was located in the physical education building. This room offered a place for C. H. S. students to really "cut loose" during their lunch period.

Betty Sewell, Lynn Thompson, Rebecca Redmon, and Jerry Maley danced to music of the juke box.

And Took Time Out To Relax

Many of our outings were held in the new Noblitt Memorial shelter house.

Both young and old enjoyed the annual Spring Fair.

Then It Was "Hoosier Hysteria" Time Again

Carol Barton, Ken Buchanan, and Carol Galbraith, look hopefully at the tourney display.

One of the most exciting convocations of the year was our tourney convo. We gathered in the gymnasium to have fun, watch the circus, and just root our team on to victory. Everyone became so enthusiastic and excited about this nerve-racking occasion.

The Columbus rooting section went wild with joy as the Bulldogs won the sectional crown.

The last basketball dance, "Sectional Bound," honored the seniors.

Cheerblock added a colorful touch to our basketball games.

Traditions And Fads Came With Us

Around school the students seemed to add fads and traditions to those we brought with us. The geometric tree, saddles, and senior cords were among those which had been in existence for some time.

Each season the girls' hair takes on a new look, and this year it seemed to be the pony tail.

Too, the girls this year sported conscience rings.

Miss Folger's solid geometry class decked their Christmas tree with unusual ornaments.

Many girls wished their hair was long enough for a pony tail.

Did you wear a conscience ring this year?

At basketball games, football games, and just in the halls of C.H.S.—everywhere you went—girls wore saddles.

Many thought that those senior cord days would never arrive, but they did.

And The Faculty Enjoyed

A few teachers took time to relax during a busy day.

The faculty and administration benefited from the new school, also. Now the teachers could relax in the lounges. A special section of the cafeteria was reserved for them, and there was a parking lot that they could call all their own.

A new switchboard was added to the office.

New Luxuries, Too

This year the teachers enjoyed a private parking lot.

The teachers enjoyed a special section in the cafeteria.

Now The Seniors Boast Of Being The First

The Senior class of 1957 is very proud that they are the first to be graduated from our new senior high school. As the school year grew near an end, many wished that they had more years to occupy the building.

This has been an exciting year for every senior, a year full of many new experiences. Graduating starts a new and different life for every student. Many interesting and eventful years lie ahead.

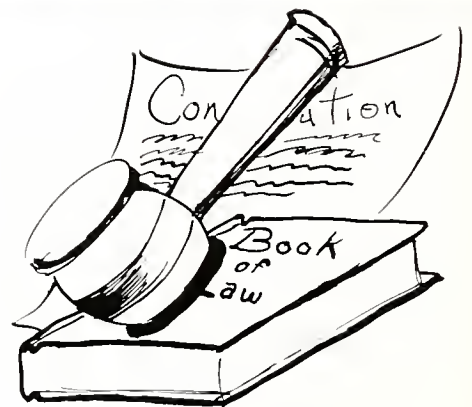

C.H.S.ites traditionally have their Logs signed by all their friends.

Good-bye, C.H.S.

These senior students—Jean Harms, Norman Bruce Marsh, Frances Winchester, and Keith Bode—solemnly awaited one of the most important events of their lives.

The Activities Came Fast And Furiously

Being in the new school renewed the interests in clubs and other activities. In Columbus High School we had activities for almost every interest. There was a governing body, honoraries for outstanding students in various fields, and even organizations to cover students' talents. The clubs with Christian backgrounds, Hi-Y, Tri-Hi-Y, and Y-Teens, grew making a total of eighteen chapters in these three groups. Time was also provided for staffs of publications—The Triangle and The Log.

Our First Year In The New Building . . .

The Student Assembly consisted of representatives elected from the various Guidance Rooms. The members collected the activity fees from their Guidance Rooms and informed the other students about what was discussed in their meetings. The Student Assembly also promoted better school spirit and sponsored the citizen-of-the-month contest. Its most interesting achievement, however, was a Log-Signing Party for all C.H.S.-ites. To add to its long list of accomplishments, the assembly together with its sponsor, Mr. C. G. Addleman, assembled a code of honor, defining the principles of C.H.S.

Was Lightened By Our Student Government

The Student Council was responsible for presenting to C.H.S. a beautiful new victory bell, which was used in the sectional. They also decorated the gym for the first game and promoted a better-school-spirit campaign requesting all the students to wear something blue and white. The Student Council and its sponsor, Mr. C. G. Addleman, also supervised the recording of the "C.H.S. Review."

The Honorary Clubs Of C.H.S. . . .

Quill and Scroll, the International Honor Society for High School Journalists, has existed in C.H.S. since 1931. Juniors and Seniors who were in the upper third of their class and had done superior work in writing, editing, or business management, were eligible to become members of Quill and Scroll. In order to become members, they had to be recommended by the school principal or publications advisor and approved by the Executive Secretary of the Society. The Thespians is a national organization. Columbus was the 57th chapter to be admitted in the national organization and has existed since 1938. The members are selected from students participating in Drama Workshop and the Dramatics class. They are chosen on the basis of experience and achievement in acting in the various plays presented by the workshop and the class. Miss Mildred Murray is the sponsor of Thespians.

Tri-Hi-Y D, sponsored by Miss Frances Taylor, had two projects this year. Their taffy sale proved to be a big success, as most C.H.S.-ers are always hungry. They also sold stationery with the new high school building printed on it.

Clean Scholarship, Clean Living

The Activities Committee kept peace in the large family of C.H.S. clubs. They also made schedules for the coat checks and the dances to be sponsored by the various clubs. Money-making projects were okayed by them.

The Two Publications, Log And Triangle . . .

Each Friday the students of C.H.S. were busy reading the Triangle. The first semester Triangle Staff pictured above, and the many reporters, not pictured that joined them second semester, were responsible for our school paper. It took hard work to meet the deadlines, but the co-editors, Beverly Ward and Anita Ennis, together with the sponsor, Miss Van Lieu, did it very well.

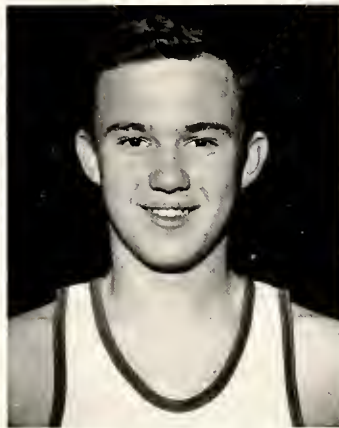

The hard-working co-editors of the Triangle, Anita Ennis and Beverly Ward, and their sponsor, Miss Van Lieu, worked to meet next week's deadline.

Our Tourney Time Was Full Of Thrills

Top Row: These Nashville and Hope fans came out for the "Sectional Circus". Our five cheerleaders—Rosemary Genth, Sue Carol Roth, Gloria Jones, Judy Stonecipher, Judy Fleetwood, and Max Gill—led our Bulldog cheers. The Columbus Bulldogs smashed the Shelbyville Golden Bears' hope of winning the 1957 sectional title.

Middle Row: Bob Franke scores two points against the Jackson Township Tigers in the first game of the regional. Shelbyville stands amazed as Jerry Butler adds two more points to the Columbus score. Southport tries a few gymnastics.

Bottom Row: The sound of our victory bell proclaimed our 1957 sectional victory. The victorious Bulldogs pose long enough for a picture while their rooting fans surround them with cheers.

Back Row: Fred Ward, John Everroad, Frank Phillips, John Barkhimer, Jay Beaman, Mr. Charles Richardson, coach.
Front Row: Steven Burns, Richard Williams, Richard Sharp, Larry Pumphrey, Earl Pulse.

Golf Team Looked For Prosperous Season

The C.H.S. golf team this year was very strong. With none graduating last year the team had five returning letterwinners to make the team well balanced. Richard Williams, a four year letterman and old veteran, gave much as first man on the team. Dick Sharp, a three year letterman, Earl Pulse and Steven Burns, both two year letterwinners, and Larry Pumphrey, a one year letterman, helped to make Coach Chuck Richardson very happy with their successful year.

Richard Williams, the only four year letterman, takes a practice swing in preparation for the golf meet.

Arthur, Joe, and Denny run warm-up laps before going on a cross-country run.

The cross-country team, coached by Gerald Quilleon, had a good season this year. With the help of David Johnson-Bey, a returning letter winner, and Julian Holland, a one year man, the team placed high in their meets. The team will have several outstanding lettermen back next year and with the up and coming runners they will have a good team.

Long Winded Boys Proved Successful

The track team had many lettermen back this year. It was a very balanced team with good distance runners as well as sprint men. Experience was displayed as they defeated very tough opponents in the field and on the track. Head coach, Gerald Quilleon, and reserve coach, James Orlosky, were very proud of their team.

Runner-Up State Champs

The Bulldog swimming team had a very successful season this year by going undefeated in their regular season meets. Their only defeat came in the state meet when they lost by only 3 small points. Runner-up in the state meet was the highest Columbus has gone.

With several returning lettermen the team was well balanced in their pitching, infield, and also outfield. There were many potential letterwinners back from last year, and they proved themselves very worthy by helping the team through some tough games. Everyone was proud of this team for its fine determination to win.

The People Came With Renewed Zest

The faculty and students alike awaited the first day of school with eagerness. The new building offered new opportunities for all. Now each of our teachers had a classroom all his own and attractive lounges were available to spend a few minutes of leisure time.

The seniors had the honor of being the first to graduate from the new school. Dreaming of the day when they, too, will graduate are the juniors and sophomores.

Mr. Luther Lockwood, Superintendent of Columbus City Schools, spent a large portion of his time visiting the new high school and other schools of Columbus. Deeply concerned with the education and future of tomorrow's citizens, he was intensely interested in the well-being of the youth of Columbus.

Administrators Set Fine Examples

A long-hoped-for dream was fulfilled for Principal Judson S. Erne, as the new high school was completed. It was a difficult task to handle all of the unexpected interruptions which accompanied a project as large as this one. Many problems presented themselves, but all were overcome as the school year progressed.

Vice-Principals, Mr. C. G. Addleman and Mr. J. O. Kelly, took a few moments out of their busy schedule to relax and discuss a few of the matters which needed their attention.

Mr. Noel Genth, Dean of Boys, and Miss Josephine Armuth, Dean of Girls, spent many hours working out plans to help the students of C.H.S. It was difficult but the satisfaction came when their plans succeeded.

For Tomorrow's Leaders,

The school board found many problems which had to be solved as their educational program was carried out.

This being the first year for a five member school board, they found it was a great asset to have the increased number of members.

Serving on the 1956-57 school board were Clayton Huntington, Roscoe Franke, Harold Wand, Mrs. Clarence Hamilton, and William Wissman.

Class Treasurers have the responsibility of safeguarding and accounting for class funds. Sue, Pat and Karen know that an Irwin Union Checking Account will assist them in taking care of their duties and responsibilities.

And they also know that an Irwin Union Savings Account can be helpful when buying that first car or paying for that college education. Regular saving gives that wonderful "money-in-the-bank" feeling.

You'll find that Irwin Union is a "department store" of banking. Everyone's every-day financial needs are completely served with "one-stop-banking."
